

The City of Lathrop understands that we are in an unprecedented time for our City, our State and our Country. While the City has a fiscal responsibility to our tax payers/customers we recognize the need to work together during this time. With that said, if you have a verifiable loss or reduction in wages related to the Covid-19 pandemic you can contact Bob Burns at City Hall to discuss payment options.

While the City has closed public access to our offices and community rooms, we remain dedicated to continue to provide the essential services for our community. If you have any questions you can call City Hall at 816-740-4251 or e-mail us at lathropcity@grm.net.

Thanks
